

Peacock Bass Fishing in the Amazon!

October 4th - 12th, 2019

The fishing experience of a lifetime is how most visiting anglers describe their peacock bass fishing trip to the Amazon. Join us for this exciting fishing adventure – a week exploring the fabled waters of the Amazon basin for **MONSTER** peacock bass with Ron Speed Jr's Adventures! Our 2016 group landed more than 1000 Peacocks; 40 over 15 lbs., and 11 over 20 lbs..

We've booked the group trip for Friday, October 4th thru Saturday, October 12th, 2019 and have plenty of spots available. We chose these dates because it has been the most consistent week each year for more than 20+ years for GREAT fishing. The cost of the trip is \$5250 for 6 days of fishing, plus additional expense for your airfare, visa, tips and misc. A \$1000 nonrefundable deposit is required to hold your spot.
